HILLARD APPOINTED

Manager of Bell Telephone Company in Bowling Green.

S. C. Harvey, who has been manager of the Bell Telephone company exchange in Bowling Green, has resigned his position and will engage in other business pursuits. Mr. Harvey has done much toward developing the telephone business in Wood county.

He will be succeeded by R. R. Hillard, formerly of this place, but now of Portsmouth, O., and of whom the Portsmouth Daily Times says:

"Mr. Hillard was born and raised in Wood county, of which Bowling Green is the county seat.

"Strangely enough Mr. Hillard will also succeed the man who started him in the business. Ten years ago he became interested in telephone work through talks with S. C. Harvey, manager of the Bell phone at Bowling Green, to whom he suggested the possibility of a county line. Since then the exchange has grown to 900 'phones. While in Portsmouth Mr. Hillard has been pushing the merits of the Bell and has added a large number of new patrons."

It was Mr. Hillard who put Perrysburg in communication with the progressive world by establishing the Perrysburg exchange, which he managed until it became a valuable property. He is a hustling, progressive business man and the present success of the Bowling Green exchange will not deteriorate in his management.

BALL GAME

To Be Played by Perrysburg vs. Pemberville Labor Day.

On Monday, September 3 the Perrysburg Base Ball club will play the strong team from Pemberville.

This is the first Wood Co. team that Manager Munger has booked this season and as the Pemberville team is one of the strongest in the county it will give the people a line on the home team's chances for landing the championship of the county.

The Perrysburg team has played good ball all season and has made an enviable record so far and the boys are positive they can win from the visitors.

The weather has been bad all this month and the boys are a little behind, financially, and would be pleased to see a big crowd on "deck" Labor day. They have played together and harmony has prevailed on the team all season and they think the people ought to show their appreciation by attending for the remainder of the season.

The business places will follow their usual custom and close at noon on that day and there will be no excuse for anyone not attending this game.

The game will be called at 2 o'clock.

The prizes will remain the same as heretofore, namely: General admission, 10c; grandstand, 20c. Let us see a big crowd out to the game and give the team a helping hand.

On Sunday, September 2 the strong Pope Toledo B. B. C. of the city league of Toledo will play the Perrysburg Base Ball team at the Perrysburg base ball park at 2:30. Prices the same as usual.

The Yellow Fever Germ

has recently been discovered. It bears a close resemblance to the malaria germ. To free the system from disease germs, the most effective remedy is Dr. King's New Life Pills. Guaranteed to cure all diseases due to malaria poison and constipation. 25c at Wm. Comstock & Son's drug store.

LIGHTNING'S WORK

Four People Received Force of Electric Current.

During the progress of a base ball game in Bradner, Wood county, Saturday afternoon, between the Rudolph Stars and the Bradner team, Clyde Shaffer, Daniel Mercer and Alfred Place, all members of the Rudolph team, were stricken senseless by a thunderbolt. Two of the men have recovered consciousness but Shaffer is still lying like one dead and grave doubts are entertained as to his chance of recovery.

Shaffer is an amateur pitcher, well known throughout northwestern Ohio. He was tried out by the Toledo American association team several years ago. The Rev. Alfred Place is a Pittsburg man, who is home visiting his parents.

While in school at the University of Chicago, he made a great record as an all around athlete.

In Bowling Green Saturday, Robert Dunn, Jr., felt the effect of a stroke of lightning while on the base ball ground keeping score of a game being played by the local Y. M. C. A. team and the National Unions of Toledo. Mr. Dunn's shock was very slight and not nearly as bad as reported in the Toledo papers.

BIG WELL IN TROY

Probably one of the best wells drilled in old Wood county for a good many years, is located in the southeast corner of the county, near Sandusky county line, in Troy township, Wood county, and it is owned by Hartman Bros. and others, being No. 6 on the W. Holtmyer farm, section 26.

This well is located in among a number of strippers, but when the drill reached the oil pay the well started flowing at a terrific rate and is estimated up in the hundreds of barrels.

It is a crevice well, as well as a freak, and how well it will hold out is a question, for it is expected to go like all others in the immediate vicinity.

It will have a tendency to stir up a little work in that end of the field which has been a dead letter for the past few years.—Fremont News.

A Healing Gospel.

The Rev. J. C. Warren, pastor of Sharon Baptist church, Belair, Ga., says of Electric Bitters: "It's a God-send to mankind. It cured me of lame back, stiff joints, and complete physical collapse. I was so weak it took me half an hour to walk a mile. Two bottles of Electric Bitters have made me so strong I have just walked three miles in 50 minutes and felt like walking three more. It's made a new man of me." Greatest remedy for weakness and all Stomach, Liver and Kidney complaints. Sold under guarantee at Wm. Comstock & Son's drug store. Price 50c.

PIONEER LADY DIES

Mrs. Ann Eliza Frederick, Public Librarian, is No More.

At 7:30 Saturday morning, Mrs. Ann Eliza Frederick passed away at her home on Second street after an illness of several weeks.

Mrs. Frederick was one of the best and most favorably known ladies of this village having spent the past seventy years of her life in our village, and for the past fourteen years she has been librarian of the Way Library, which duties she attended with great patience, care and ability, and although a woman of 74 years she retained her naturally brilliant mental faculties and she was able to furnish information regarding the latest works of literature, and historical facts, with great accuracy, and without consulting any other authority than her excellent memory.

She was the daughter of Seth Bruce who came to Wood county from Cumington, Mass., in 1836, bringing his family—Ann Eliza being then four years of age.

In 1865 Miss Bruce was married to Rudolph Frederick, of Perrysburg whose death occurred many years ago. During her long life Mrs. Frederick always maintained the cheerful, courageous spirit that helped to make a woman of influence and unbounded activity, which continued to the end of her life.

Two sisters, one living in Cumington, Mass., and one in Salt Lake City, Utah, and one brother residing in Wood county, together with one daughter, Miss Jessie Frederick, a teacher in the Toledo schools, survive her.

The funeral services were conducted at her late home on Monday afternoon by Rev. Lowry and the remains placed at rest in Ft. Meigs cemetery.

The service was attended by a large number of sympathizing friends and neighbors who deeply regret the death of a truly noble woman.

She began teaching school when only 16 years of age and was employed in our public schools for many years, and among the pall-bearers at her funeral were five of her former pupils and one classmate.

She was always a faithful attendant at the Baptist church in early life, but later attended the Presbyterian church after the service in the Baptist church had been discontinued.

She has always led an active life, and several years ago was interested in the mercantile business in this place.

Among other relatives she has an aunt living in Massachusetts who celebrates her 100th birthday on the 15th of this month and was well enough to enjoy an automobile ride of eight miles.

An incident in the life of Mrs. Frederick which indicated her great depth of character occurred in the summer of 1854, when the great cholera epidemic raged in Perrysburg and vicinity. She was one of the women who refused to seek safety for herself by leaving the stricken village and people, but remained at home and devoted her attention to alleviate the suffering of her stricken neighbors.

ZINGG FAMILY REUNION

The second annual reunion of the Zingg family was held at Walbridge park on Saturday, August 25, where about seventy-five enjoyed the sights of the park, dinner, supper and a business meeting.

The officers as follows were elected for the coming year:

Pres.—R. Zingg
Vice Pres.—Mrs. B. Zingg
Sec'y.—H. D. Van Hellen
Treas.—Chas. Zingg
Committee—Fred Pomeroy, Wm. and John Zingg, Fred Hegamaster and T. H. Tinney.

It was decided that the next meeting be held in T. H. Tinney's woods in Lime City the third Saturday in August, 1907.

All present were from the vicinity of Perrysburg with the exception of Fred Pomeroy and family who were from Ashtabula.

DOING THEIR DUTY

Scores of Perrysburg Readers are Learning the Duty of the Kidneys.

To filter the blood is the kidney's duty. When they fail to do this the kidneys are sick.

Backache and many kidney ills follow; Urinary trouble, diabetes. Doan's Kidney Pills cure them all. Perrysburg people endorse our claim.

George H. Hufford, Cor. Railroad and Second Streets, Perrysburg, Ohio, says: "Doan's Kidney Pills is not a new remedy to me. I used them a year ago when I was painting, which work is very injurious to the kidneys. At the time I first used them, I was suffering from a severe attack of kidney complaint. It seated itself through the small of my back and at times was so severe and painful that I was compelled to lay down more than once until it subsided. The action of the kidneys were too frequent and at times painful. A friend of mine who had used Doan's Kidney Pills and had been cured advised me to try them and I got a box. They proved to be just as he stated. That one box banished my backache and corrected all other difficulties. I gave Doan's Kidney pills to my son who was troubled with a weakness of the kidneys and they cured him in a very short time. You can refer to me at any time as a strong endorser of Doan's Kidney Pills, for the repeated tests we have given them proves to my entire satisfaction that Doan's Kidney Pills are all they are represented to be."
